Energy FY 2009 Q4

ENERGY 16-Quarter TRC & Date Case Rates

The Office of the Under Secretary of Energy includes The Offices of Energy Efficiency and Renewable Energy (EERE), Management (MA), Fossil Energy (FE), Nuclear Energy (NE), Electrical Delivery and Energy Reliability (OE), Civilian Radioactive Waste Management (OCRWM), and Legacy Management (LM).

Although the Office of Electricity Delivery and Energy Reliability (OE) is an organization within Energy (established August 2005), it has not been added to CAIRS and thus does not appear in the pull-down menu. Legacy Management (LM) is a small organization with less than 500,000 work hours per year.
