### A Few Rules For A Successful Conference Call

- Because we only have a limited number of telephone lines available, all coordinators at one site should participate in the teleconference together on one telephone.
- Keep your phones on mute (if you are using a speakerphone) unless you are speaking.
- Announce your name and affiliation before speaking each time.

- All participants will be asked to introduce themselves at the start of the conference call and will be given the opportunity for comments and questions at the end of each presentation.
